

MISGMP Committees

The goal of the Michigan Chapter of the Society of Government Meeting Professionals (MISGMP) is to improve the knowledge and expertise of individuals in the planning and management of government meetings through education, training, industry relationships and mutual support.

Would you like to help MISGMP reach this goal? Currently, only a handful of dedicated members work on the committees and they could use your assistance and creative ideas. It's a great chance to network while moving the organization forward as well! The time commitment is only a few hours a month! See below for the list. Sign up today!
